Dear Mrs. Miller:

I am so thrilled to have your daughter Marie in my fourth grade class this year. I wanted to remind of our open house on the 17<sup>th</sup> of August. Open house hours are from 5pm-8pm and feel free to stay as long as you like, my classroom is in building C and door 102. I will have snacks and refreshments in my room. I plan on discussing the year's layout in terms of my goals for Marie and the different reports that will be assigned. I will have some take-home materials for you that will be utilized every now and then at home with you for practicing math and reading. I appreciate you taking the time to come to our open house, let's make this a great year!

Sincerely,

Ms. Schneider
